1. [Statement on the potential risks from ergot alkaloids in the maternal diet - Background and Introduction](#)
2. [Statement on the potential risks from ergot alkaloids in the maternal diet - Toxicity](#)
3. [Statement on the potential risks from ergot alkaloids in the maternal diet - Health-based guidance values](#)
4. [Statement on the potential risks from ergot alkaloids in the maternal diet - Sources of EAs exposure](#)
5. [Statement on the potential risks from ergot alkaloids in the maternal diet - Exposure Assessment](#)
6. [Statement on the potential risks from ergot alkaloids in the maternal diet - Overall exposure](#)
7. [Statement on the potential risks from ergot alkaloids in the maternal diet - Risk Characterisation](#)
8. [Statement on the potential risks from ergot alkaloids in the maternal diet - Conclusions](#)
9. [Statement on the potential risks from ergot alkaloids in the maternal diet - Abbreviations](#)
10. [Statement on the potential risks from ergot alkaloids in the maternal diet - References](#)
11. [Statement on the potential risks from ergot alkaloids in the maternal diet - Appendix A](#)
12. [Statement on the potential risks from ergot alkaloids in the maternal diet - Appendix B](#)

Literature Search Terms for Ergot Alkaloids (January 2022 - June 2022)

acute toxicity

chronic toxicity

reproductive toxicity

biomarkers (exposure/ toxicity)

maternal health

preconception

conception

pregnancy

post-natal

lactation

fetus/ foetus/ fetal /foetal

placenta

pre-term

preeclampsia

cancer/ carcinogen(icity)

teratogen(icity)

absorption

distribution

metabolism
