Scientific Advisory Committees (SAC) Summary of recent activities

This document summarises the recent activity of the FSA's Scientific Advisory Committees (SACs). We highlight topics discussed at the most recent meeting and agenda items for the next meeting.

Science Council

Updated: 9 January 2023.

Last open meeting: 8 December 2022.

Summary

- The Chair presented a summary of her activity over the last 6 months.
- The FSA led a discussion of the FSA Science Update 2022 (FSA 22/12/07) to the FSA Board.
- The CSA updated the Council on his recent activity and discussions (including Government Office of Science's review of SACs, changing FSA priorities this year, the Precision Breeding Bill).
- Updates from Science Council members attending Scientific Advisory Committees (SACs) and a proposed streamlining of members' engagement.

Next open meeting: 6 September 2023.

Chair: Professor Sandy Thomas

Advisory Committee for Social Science (ACSS)

Updated: June 2023.

Last meeting: 2nd February 2023.

(10th plenary, open session). Minutes and papers are available on the [ACSS website](#).

Key update items:

- The ACSS hosted KSN XXXXX
- Continuing to work with DEFRA SSEG (Social Science Expert Group)
- 11th plenary on July 5th, attendees include Susan Jebb and members from DEFRA's SSEG secretariat.

Working group highlights:

- The **Assurance** working group continues to play a valuable role in the Social Science Gateway Process, and as such review the research questions and methodology of all new social science projects.
- The **Kitchen Life 2** working group continues to support the innovative, cross-cutting and multi-disciplinary research project Kitchen Life 2. The project is nearing completion and the working group will reach a natural end point in the autumn.
- The **Wider Consumer Interests** working group continues to support this ARI, and has recently completed an in depth review of the monthly Consumer Insight Tracker, making practical recommendations to enhance the value of this research.
- The **Economics** working group have continued to review monthly updates on key activity within the economics team, and are looking to support the development of inhouse training materials for the analytics unit.

The next open meeting (11th Plenary) of the ACSS will be 5th July 2023.

Advisory Committee on Novel Foods and Processes (ACNFP)

Updated: 15th June 2023.

Last meeting: 14th June 2023.

- Draft outputs for RP1033 and RP1232 (GM) were reviewed, with refinement advised.
- RP1468 was also reviewed needing further information from the applicant and will be actioned by the secretariat.
- The Committee was updated on the work on the PGT Subcommittee and a workshop held to further explore approaches to aid these assessments.

Next meeting:

19th Sep 2023 (with potential for 2 days).

Products of Genetic Technologies Subcommittee (PGT)

PGT Subcommittee

Updated: 25th May 2023.

Last PGT meeting: 17th May 2023.

Highlight:

The meeting included a Precision Breeding (PB) workshop, focussing on data requirement; answers for outstanding questions will be sought by correspondence. Comments were invited on the draft safety advice for the full GM application RP1232, to be completed by correspondence. Both PB conclusions (in the form of workshop) and RP1232 draft safety advice are to be discussed in ACNFP160, 14th June 2023.

Next meeting: (PGT9): 18th July 2023.

Advisory Committee on Novel Foods and Processes and Committee on Toxicity on CBD and Hemp Derived Products

CBD Subgroup

Updated: 8th June 2023.

Last CBD meeting: 3rd May 2023.

Highlight:

The Subgroup were provided with an introduction to the range of datasets to expect from Group B (cannabinoid mixtures) focused meetings. The introductory paper incorporated the results of three particularly detailed studies, to provide a reliable depiction of the range of compositions and results that group B will bring compared to the previous group A discussions.

The Secretariat were given actions based on stability data and cannabinoid receptor activity to complete by the following meeting.

Next main meeting: 4th July 2023 (CBD7 – Group B CBD products and assessment criteria).
