Year Page Florfenicol (veterinary medicine)

COT review of,

1993 12

Year Page

1995 35

Subject:

Fluoride/fluorine

COT evaluation, Expert Group on Vitamins and Minerals 2001 23

COT evaluation, Expert Group on Vitamins and Minerals 2002 19

Mutagenicity of

Subject:

Year Page Fluorine, bromine and iodine

COT evaluation using 1997 Total Diet Study 2000 17

Subject:

Year Page Fluoranthene in drinking water

Mutagenicity and carcinogenicity of	1994 34, 70
Mutagenicity studies, in-vivo	1995 33

Year Page

Fluorosis, dental

COT discussion of,	2003 9

Subject:

Flunixin, meglumine and flunixin- Year Page meglumine

Mutagenicity of		2003 129
Mutagenicity of		2005 119
Subject:		
Folic acid	Year Page	
COC evaluation of,	2009 71	
Colorectal cancer risk and fortification COC discussion o	f 2006 282	
Updated COC evaluation	2007 181	
Tolerable Upper Level of folic acid, COT review of	2018 28	
Tolerable Upper Level, COT statement on	2019 7	

Subject:

Year Page

Year Page

Food Colours

and children's behaviour, research 2007 8

Subject:

Food Surveillance Papers

COT consideration of three Wo	orking Party reports	1991 22
Working party reports conside aluminium	ered – pesticide residues, mycotoxins,	1992 27
Miscellaneous naturally occurring toxicants in food,		1993 23,
Fumonisins		1993 48
Subject: Food additives	Year Page	
Behaviour and,	2002 11	

Developmental toxicology and, 2005 5, 42

Hyperactivity and, 2000 27

Subject:

Year Page Food and food ingredients

adverse reactions to,	2000 10	
Subject:	-	Year Page
Food and drug interaction	5	
Joint meeting with the Committee on Safety food-drug interactions	of Medicines or	י 2004 23
Joint COT/CSM one day meeting on diet and interactions	drug	2005 27
Subject:		
Year Page Food Intolerance		

Working group update	1997 17
first draft report	1999 16

Food Standards Agency funded research Year Page and surveys

Aneugenic benzimidazoles, other aneugens and other substances in the in vitro micronucleus assay, combined effects of 2013 42

COT discussion of,

2000 18

Health effects of mixtures of food additives (T01040/41)	2008 ^{10,} 204
Interpretation of Margins of Exposure for Genotoxic Carcinogens (T01051)	2013 56
Mixtures of pesticides and similar substances	2011 11
Soya phytoestrogens in patients with compensated hypogonadism	2014 10
Soya isoflavones on markers of bone turnover in females in the early menopause	2014 10
Soya phytoestrogen supplementation on thyroid status and cardiovascular risk	2014 11
Subject:	
Year Page Formaldehyde	
COC discussion of, 2007 182	
Systemic mutagenicity, evidence for 2007 133	
Systemic mutagenicity, evidence for 2007 133 Subject:	
	e

Updated COT evaluation of 1999 16

Fumagillin (veterinary med	Year Page icine)
Fumagillin Dicyclohexylamine, evaluation of	2011 41
Mutagenicity testing strategy for	2009 49
Subject: Fumonisins	Year Page
carcinogenic hazard, surveillance programmes	5 1993 48
in maize meal	2003 15
Subject: Year Page Furan	
COC evaluation of 2005 135	
COM evaluation of 2005 84	
COT evaluation of 2005 8	
Subject: Ye	ear Page

Furocoumarins in the diet

COC evaluation of	1994 39
COM evaluation of	1994 25
