

**COMMITTEE ON TOXICITY OF CHEMICALS IN FOOD, CONSUMER
PRODUCTS AND THE ENVIRONMENT**

WORKING GROUP ON PHYTOESTROGENS

Submission from PitRok Ltd (received 14/02/01)

1. PitRok Ltd is a UK distributor of natural deodorants, body care products and dietary supplements. Mr Nigel Worthington of PitRok Ltd has requested that the information on a phytoestrogen dietary supplement, known as, 'Tofupill' be presented to the Working Group. He has sent a number of documents on the Tofupill line of products and testimonials from users of these products. Tofupill is produced in Israel by Se-Cure Pharmaceuticals & Cosmetics Ltd.
